*A Message from your
Chairman of the Board
Merle Stutzman*

The summer season has been great to get a lot of work done in our industry. The days will be gone quickly through this season & before we know it will be fall again. What a privilege we have to be building new homes & remodeling for families in our communities, places where a lifetime of memories are created.

The Parade of Homes is scheduled for the last 2 weekends in July so save the dates & come out & see the latest in new homes in Wayne County.

Thank you for all you do to make our industry successful & supporting our local HBA.

EXECUTIVE VICE PRESIDENT'S COLUMN

By Vincent J. Squillace, CAE

Executive Vice President,

Ohio Home Builders Association

CLEANING OUT FILES REVEALS SOME OHBA TREASURES

Periodically we clean out the old files to make room for new stuff. Much of it brings back memories of good times. Past presidents, committee chairs, & executive committee members, all extraordinarily dedicated to the association & valuable to the great association we enjoy today. We are grateful for their service.

The old files also reveal past challenges to the industry. Aside from the economic downturns (which are too often & too long) the legal & regulatory challenges reveal much more. Over the past 40 years the sophistication & organization of those who challenge us has risen greatly. We have been maligned as the main culprits of harmful growth leading to increased pollution, destroyers of lakes & streams via sedimentation, builders of poorly built homes leaking energy, & purveyors of consumer fraud.

We have met all challenges forthrightly & completely. In fact, harmful pollution was recently revealed to come from another major source, the Ohio economy has been in a state of shrink not rampant growth & consumer laws were so lopsided to be found unfair. With hard work & the efforts of committed officers we have prevailed in aiding the industry in a substantive way.

Whether the growth debate, energy & code issues, tax free bonds for housing, applying sales tax to home improvement, removing prevailing wage requirements for private land development improvements or CSPA reform; OHBA was there for you & we stood alone. Fortunately we prevailed.

This is not a gloating piece but to show how much the issues we face have grown dramatically, their importance & that, moreover, the challenges will continue.

A look to the past reveals this is not our parents industry any more. Regulatory, financial, tax & technical changes will be more the rule than the passive attitudes of the past. The challenges have risen to the state & national Capitols. Now, more than ever, the association must be prepared to meet the challenges at our door.

Upcoming Deadlines:

June 30, 2016 Deadline to complete Safety Council participation requirements for the 2015 policy year. Deadline to complete Industry Specific Safety Program loss prevention activities for the 2015 policy year. Due date for the first 2016 policy year premium installment.

July 1, 2016 BWC will send the **2015 policy year** true-up notice. Employers report actual July 1, 2015 – June 30, 2016 payroll & any variance will be calculated from the estimated payroll.

August 15, 2016 is the due date for the true-up report to be completed with BWC. **This is a critical deadline, as the BWC has indicated that if you do not file your true-up on time, your business may not be eligible for current & future alternative rating & premium discount programs such as group rating & group retrospective rating.** Reports must be submitted either online (www.bwc.ohio.gov) or by phone at 800.644.6292.

July 1, 2016 marks the beginning the 2016 policy year.

Two Hour Safety Training: For your members who participate in either a group rating or group retro program, the 2015 two-hour group safety training requirement is due **by June 30th**, if the company had a claim occur between **1/1/2014 & 9/30/2014**. For businesses that have not completed this requirements, here are two options:

Take online training courses through the RiskControl360° website, which has been updated with new courses & an easier payment process. Please visit www.riskcontrol360.com/online-training to view our catalog of courses available in different time increments.

Visit www.bwc.ohio.gov/employer/programs/safety/SandHEducation.asp for online training courses through BWC, or contact them for an in-person visit at 800.644.6292.

Once the two hours of training have been completed, certificates can be submitted to us by email at two-hourtraining@careworkscomp.com

Updates to OSHA Injury Data Collection: You may have heard that OSHA has issued a final rule that will modernize injury data collection to better inform workers, employers, the public, & OSHA about work-

place hazards. With this new rule, which takes effect 8/10/16, OSHA is applying the insights of behavioral economics to improve workplace safety & prevent injuries & illnesses. Included with this email is the full article outlining these impending changes. If you would like to discuss further how this might affect your business, please contact Jim Wirth at jim.wirth@careworkscomp.com or 614.827.0370.
