A Message from your Chairman of the Board Merle Stutzman

Summer has gone by quickly & the fall season has begun. I always enjoy this time of year, the cool mornings & cooler days are so refreshing after the warm summer days we have. It is a reminder of what lies ahead with winter coming sooner than we are ready for. I would be fine with fall weather until spring but we know that doesn't happen in our area.

The summer building season has been good for our industry, the overall market is up however there are still areas that are recovering slower than others. We are blessed to be building homes in this area of the country where we have a lot of craftsmen with great skills & work ethic to help make industry successful. With construction in our area being strong again this year it should help us as we share the benefits of our local, state & national HBA benefits with others to help grow our association. Please remember to encourage your subs, suppliers & business partners to join our efforts in making our association stronger in all areas.

Remember to sign up & plan on attending the International Builders Show in Orlando, Florida in January. If you have never attended the show you will be

A bank for your business

amazed at the size of it & what all it offers with the education sessions. Make your plans now.

Enjoy the beautiful fall weather.

We're local, and we're here for you

OHBA LEGISLATIVE REVIEW

DISCUSSIONS WITH PUCO OPENS UP OPPORTUNITIES TO QUESTION REASONABLENESS IN LINE EXTENSION CHARGES

After hearing from a few members with concerns over somewhat arbitrary and increased charges to install utility line extensions, OHBA reached out to the PUCO for some clarification. In many cases the utility has allowed for discretion when determining its line extension charges put forth in the tariff approved by the PUCO. However, the PUCO does maintain jurisdiction where rates/charges may be unreasonable. OHBA is continuing to gather more information on these situations.

Please contact OHBA with any comments or questions.
