Focus on Membership

How do I become a Spike?

Before becoming a Spike, you are a Spike candidate. That means you have earned between one and five and a half credits. Once you earn your sixth credit, you become an official NAHB Spike! Spike credits are earned by recruiting and retaining NAHB and Council members.

How do I earn Spike credits?

Spikes earn one credit for each new Builder or Associate member they sponsor. When that member renews after his or her first year of membership, the sponsoring member automatically gets one renewal credit. Every year the member renews thereafter, the sponsoring member will receive a ½ renewal credit.

What are the Spike levels?

SPIKE CANDIDATE	1-5 Credits

A Message from your Chairman of the Board Merle Stutzman

Well the year has gone by quickly. It has been a pleasure serving as your HBA Chairman for 2016. Our industry along with our local HBA has been through some tougher times over the last 5-8 years but we are headed the right direction. We as an association have been successful due to your continued support, some tougher decisions with our budget from year to year to invest and spend wisely in the important things that help our industry. We as the board want to thank all of you for your continued support this year and as we head into 2017 we ask you to consider how you can continue to help support and grow our HBA. The social committee will plan some great events for the next year and if you haven't attended many monthly events I would encourage you to commit to attending at least some of these events next year. The Inaugural will be January 19th at the Pines, call Debbie and reserve your spot at a table.

I want to wish you all a Merry Christmas and a Happy New Year as you spend time with your family celebrating the birth of our Savior. May you enjoy this great time for year and have a blessed 2017!!

Fine Hardwood Trim, Doors, & Custom Millwork for your Home

*Thank You
Merle*

Business After Hours

A Great Way to Showcase Your Company

The HBA invites you to have the members come to you! You can hold a General Membership Event at your Business & showcase your company. All that is required is a little of your time & food!

This is your opportunity to have a “captive audience”. Hold tours, tell all about the history of your company, how it started, how you grew, where you are today & what you see in your future.

The HBA only requires about 15 minutes for a very brief meeting & the rest of the time is yours.

When? Generally they are held the 3rd. Tuesday of the Month during the months of March – May & September. BUT this is always negotiable!

Time? Breakfast at 7:00 a.m. or Dinner at 5:00 p.m., but again this is negotiable. Some have had a 1 hour tour time first, sometimes food first, talk second & tours last, this is your call!

What? Food! You know we all like to eat anything!

EXECUTIVE VICE PRESIDENT'S COLUMN

By Vincent J. Squillace, CAE
Executive Vice President,
Ohio Home Builders Association

FALL BOARD MEETING A SHOWCASE FOR ALL

Our recent year end meeting demonstrated the wide breadth of OHBA services provided to the membership. EO's and members shared many ideas and programs which will enhance the membership experience as well as add to the rolls of members. Our government affairs meeting, as usual, laid out for all to see and understand the many items related to government which is important for all to know. We also discussed continued success of past OHBA actions which have been upheld in the courts. Builders were also brought up to date on the latest building code revisions as well as possible challenges to come. Knowledge is power and those who attended are now empowered.

At this meeting we elected future leaders as well as gave due recognition to those who served this year. President Bill Sanderson was duly recognized along with his team for success in 2016.

We were honored to have NAHB chair Ed Brady as our guest. Ed shared much of the knowledge of NAHB and where the national association plans to be with the newly elected Trump administration.

And last, OHBA unveiled the new BEST OF OHIO PROGRAM showcasing outstanding building endeavors throughout Ohio this year. With more than 50 submissions the program was a great success which is sure to grow in the future.
