## *A Message from your Chairman of the Board Steve Nolletti*

It's hard to believe but the year is half over. Where does the time go?

I'm sure all of your operations are running like a well oiled machine and the dirt is flying as you get your starts in the ground.

Not much news on the home building front. It seems as though lumber prices, though they have gone up some, have stabilized. We have yet to see the large increases that the forecasters predicted.

As you will read later in this newsletter we have 8 homes for the Parade in late September. Thanks to all the Builders who have entered a home. It is a huge commitment and I appreciate your support.

*Until next time.*

*Steve*

**UPDATE!** The payroll True-up period for **private employers** begins July 1. Payroll true-up reports are due to BWC **no later than Aug. 15,**

At the end of each private employer policy period (July), it is necessary to reconcile estimated payroll with actual payroll. This is called the True-up. This report can be completed online at: <http://ow.ly/4mWUlm> or over the phone by calling 1-800-644-6292.

This payroll True-up process is part of prospective billing, and as a result, Ohio businesses are required to reconcile their actual payroll annually for the prior policy year and also reconcile any differences in premium paid. According to BWC, the True-up allows more accurate premium calculation. Even if actual payroll for the year matches the original BWC estimate or a business had zero payroll, the True-up report must be completed.

**The quickest and easiest way to True-up is online with a BWC e-account.** If you do not have a BWC e-account you can create one by signing on to:

<https://www.bwc.ohio.gov/SelfSvcAccountAdmin/newacc.asp>.

You can also complete the True-up through the BWC call center however wait times may be extremely high, as a result BWC encourages the use of their online reporting system.

**IMPORTANT NOTE:**

Again, **August 15, 2017** is the due date for your True-up report to be completed with BWC. This is a critical deadline, as the BWC has indicated that if a business does not complete the True-up timely, they may not be eligible for current, and future alternative rating and premium discount programs such as Group Rating and Group Retrospective Rating. Once more, reports must be submitted either online at (<http://ow.ly/4mWUlm>) or by phone at 800.644.6292.

Below are a couple of youtube video links that you may find helpful in the process:
