Bobby Warren—Magician & Mind Reader!

By day, Bobby Warren is a mild-mannered reporter, but by night he is a magician & mind reader who has been entertaining audiences for more than three decades from Maine to Florida, from Akron to Cincinnati.

In his role as associate editor of The Linking Ring, the trade publication of the International Brotherhood of Magicians, Bobby has been able to meet, interview & learn from some of the world's greatest magicians.

What can you expect from a Bobby Warren magic show? You can expect to have fun, be entertained & be amazed. His specialty is making the ordinary extraordinary.

Cost: One meal is free per company, each additional meal is \$12.00.
There is a \$12 no show charge.

Directions: (From Wooster) Route 585/Akron Road North to just South of Smithville, The Barn is on your left.

A Message from your Chairman of the Board Mark Zollinger

In a recent field trip to Washington DC with Smithville Middle School I was reminded what a great country we live in. We visited many memorial buildings and statues honoring some of our greatest leaders and I'm proud that my son Jock was one of the students chosen to lay the wreath on the tomb of the Unknown Soldier at

Arlington Cemetery. I highly recommend visiting Washington on a field trip if you get the chance.

My favorite part of the trip was visiting George Washington's home at Mt Vernon and gaining a better understanding of his character and wisdom and his devotion to build a country on principals of hard work, honesty, and fairness to everyone. It was his desire the new states would unite to uphold and reward those who lived in America and shared these values.

As we walked through the bedroom where he died in 1799 I reflected on the fact those same freedoms stand today. We can be thankful for the vision of our founding fathers and for those who have preserved those principals. I will proudly do my part to uphold and support our country and our building industry and the actions of our leaders that believe these principals are essential to our industry and to the well being of our great country.

I would like to thank all who have worked hard to maintain a home building industry that provides value and safety

and comfort to our fellow citizens. I continue to grow in appreciation for the leaders of the generations that have come before us and I proudly strive to uphold the values, the work ethic and the common sense that has made home ownership a part of the American Dream.

Mark

Important Information Regarding our 2016 Workers' Compensation Group Rating Program

In light of BWC transitioning to prospective billing, the 2016 CareWorksComp group rating enrollment deadline for the traditional discount group rating program is November 18, 2015 and the retro group rating enrollment deadline is January 22, 2016. It is important to apply early so that you have adequate time to evaluate your options. If you have not already applied, we ask that you take a look at your potential premium savings through the HBA of Wayne & Holmes Counties **Workers' Compensation Program** that is administered by our partner, CareWorksComp. Our workers' compensation program was created to help our members maximize their workers' compensation premium savings and to provide them with quality claims management services. Consider these points about our program:

CareWorksComp evaluates your company for your greatest premium savings options.

Maximum BWC projected premium and rate discounts of up to 53% in our traditional group rating programs and **premium rebates of up to 63%** through our retrospective group programs for eligible businesses.

Unemployment program consulting services are included in our program. Best-in-class full-service program includes program management, with professional account executives, hearing representatives and claim staff as well as underwriting/rate analysts **providing you peace of mind.**

To request a free, no-obligation analysis of your best savings options, please take a moment and contact CareWorksComp's Program Manager, Bob Nicoll toll-free at 1-800-837-3200, ext. 58595 or via email at robert.nicoll@careworkscomp.com

OHBA LEGISLATIVE REVIEW

NEW PUCO REGISTRATION REQUIREMENT

As a result of passage of legislation at the end of the last G.A., the PUCO approved rules in relation to Senate Bill 378. Included in these changes are its new registration requirement and fee for anyone who participates in the Call Before You Dig system. OHBA has been in contact with the PUCO on the new registration process and plans to sit down with staff to get a more concrete understanding of the new requirement. According to the Finding and Order issued by the agency, PUCO will be sending an invoice to those who have participated (either joined or called a one call provider) in either the prior or current year. With some questions about how this will work in practice, OHBA inquired about proactively registering to fulfill the new requirements. Per the PUCO, if you have members who would like to register the PUCO would be happy to add you to the list. They anticipate sending out notifications in March or April of next year. Given the timeframe and effective date, to proactively register with the PUCO, they suggested contacting after February 1, 2016, by calling **(800) 686-7826, option 4** and providing your contact information. As OHBA receives more detailed information, we will let you know so you are prepared well in advance.

COMMITTEE CHAIR HOLDS HEARING ON CONTRACTOR REGISTRATION

OHBA was contacted by the Committee Chairman, Rep. Young, on HB 77 Contractor Registration as he scheduled the bill for an open hearing last week in the House Commerce and Labor Committee. The Chairman requested Vince attend to provide testimony to the committee on some recent changes. During his testimony, Vince explained OHBA's position had not changed in that the association was supportive given two key components: a reasonable board and pre-emption of local registration/licensing by one state registration. Several other interested parties submitted written testimony including NARI and the Homebuilders Association of Greater Cincinnati. The Chairman has not yet indicated what his plans are for HB 77 for the rest of the year.

RCAC RETURNS AFTER SUMMER BREAK

The Residential Construction Advisory Committee (RCAC) will hold its next meeting October 28th. The summer meetings had been canceled with nothing pending on its agendas for the past few months. A vacancy remains and awaits appointment by the Director of Commerce for the architect position. Please contact OHBA with any questions or comments.

FEDERAL COURT ISSUES STAY ON WOTUS

Last week, in the U.S. Court of Appeals from the sixth circuit, the majority found a substantial possibility of success on both merits grounds and procedural grounds (that significant changes in the rule were never put to notice and comment). The court ordered, "The Clean Water Rule is hereby STAYED, nationwide, pending further order of the court." Although the new WOTUS rules are said to be a significant expansion of current regulations, it appears there may not be as great of an impact in Ohio given the more rigorous review standards already implemented in Ohio. Please feel free to contact OHBA with any questions or comments.

OHBA FALL BOARD MEETING

The Annual Meeting of The Board of Trustees & Election of 2016 Officers will be held on Wednesday, November 11th at the Hilton Easton in Columbus. Meeting information has been sent out but if you need a registration form, email build@ohiohba.com or call (800)282-3403 ext. 1.
